DETAILED ACTION

Allowable Subject Matter

1. Claims 1-24 allowed.

2. The following is an examiner's statement of reasons for allowance:

No prior art teach a method (claim 1) for communicating dental data to a user comprising:

providing a remote display unit including an enclosure attached to a fastener and a display for communicating dental data to the user such that the user concurrently views the dental data and an object of a dental procedure; and

fastening the enclosure in proximity of the object within view of the user to communicate the dental data to the user.

No prior art teach a remote display unit (claim 14) comprising:

an enclosure having a fastener for attachment proximate to an object of a dental procedure;

a display unit coupled to the enclosure, the display configured to communicate dental data to the user such that the user concurrently views the dental data and the object of the dental procedure; and

a controller in communication with the display configured to receive a control signal that conveys the dental data from a dental base unit having an associated display remote from the enclosure, wherein the controller is further configured to adjust the display to communicate the dental data to the user from the position.

No prior art teach a remote dental display system (claim 24) comprising:

Art Unit: 2636

a dental unit for generating dental data, wherein the dental unit includes an associated display;

an enclosure having a fastener for attachment proximate to an object of a dental procedure;

a remote display coupled to the enclosure, the display configured to communicate dental data to the user such that the user concurrently views the dental data and the object of the dental procedure; and

a controller in communication with the display configured to receive a control signal that conveys the dental data from a dental unit, wherein the controller is further configured to adjust the display to communicate the dental data to the user from the position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
